"Compassion in Action"

Dear Friends,

You are cordially invited to the 4th Annual Benefit Gala and be part of a unique and exciting evening. This year's showcase for celebration is "Compassion in Action". Over the years EduCare has helped school over twenty thousand children, aiding them towards education and self reliance. These are children in urban slums, rural and tribal areas. *Schooling is happening and your generosity makes it happen.*

The expenses for food for this gala have been graciously sponsored. Each ticket will put one child in school for one year! You may want to reserve a table of ten to be with your friends or put an advertisement in the souvenir program book. No tickets will be offered at the door.

If you cannot attend, please consider making a donation for this noble cause. All donations for this event will directly benefit the education of children.

Come! Support!! Celebrate!!! Order your tickets today! We hope to see you on October 8!

Gratefully,
Naresh Jain, President
